5 MY 81

I have no letters of my brother Tom's but I think I could recognize his hand writing. Of George I have many; but none of the year 1816. I have one of 13 or 14 it bears no date, but I well remember receiving it about that time. I have others of 1819–24–25. If they are of any service to you, I will forward them with the greatest pleasure.

John was the eldest of the family, and I the youngest.

If you have not already invested the £230 in Consols, perhaps it would be convenient to me, for you to keep in deposit £30 in case of necessity

With love to all the family, believe me to remain ever sincerely yours

Fanny Keats de Llanos
